Girl Scout Sunday

Welcome to all of our girl scouts, parents and scout leaders today. Today is set aside as Girl Scout Sunday all across our nation and in many foreign countries. During our announcement period we will be asking all of our girls who are currently in the girl scouts (regardless of what troop they may belong to) to come to the front of the auditorium for a moment of recognition. And then we will ask our girl scout parents and leaders to stand and be recognized and given the Sunshine welcome, i.e., a round of applause.

We have two girl scout troops that are closely tied to Sunshine. One is Troop 1097 which meets in our building every other week on Thursday evenings. This troop is under the leadership of Melissa Lauder, Brenda Boston and Vicki Shoemaker. Also, we have some members of Troop 2165 which attend here. Troop 2165 meets after school in the Minford Elementary school and is under the leadership of Autumn Risner and Christine Goddard.

Troop 1097 is currently involved in a project to send girl scout cookies to Iraq for our troops. Between now and next Sunday, if you would like to help them in this project, give your contribution to Melissa Lauder and she will see that the cookies are purchased and shipped. Each box is \$3.00.

The Sunshine church is proud to support our young ladies in the scouting program. The values being taught are consistent with what we are teaching as Christians. Given below is the Girl Scout Promise and the Girl Scout Law.

Girl Scout Promise

On my honor, I will try to serve God and my country, to help people at all times, and to live by the Girl Scout Law.

Girl Scout Law

I will do my best to be honest and fair, friendly and helpful, considerate and caring, courageous and strong, and responsible for what I say and do, and to respect myself and others, respect authority, use resources wisely, make the world a better place, and be a sister to every Girl Scout.

Daylight Savings Time Springs Forward

We hope you are here this morning in time for church. If you are then you already know that our clocks moved forward one hour last night as a result of Daylight Savings Time.

Changes in Class Rooms

Due to the remodeling that has occurred, there are some changes in where classes will be meeting.

The **Cradle Roll** class has moved to Room #8 (formerly the Quiet Room and class room for 2nd/3rd Grade.

The **2nd/3rd Grade Class** moves to Room #9 (formerly the Jr High Class room). The **Jr High Class** moves to Room #7 (formerly the Children’s Library and now made into a class room). These changes apply to both Sunday and Wednesday night classes.

Angel Food Orders

Angel Food Orders are being taken this week for the March delivery.

More on Room Changes

The elders are relocating two important rooms. The new Quiet Room is where the children’s library used to be. This room is open to both mothers and fathers. The Cradle Roll room is reserved for a private place for nursing mothers. Therefore, women only should be using that room.

Verse of the Month

This is how we know what love is: Jesus Christ laid down his life for us.....

Birthday Celebration Today

Earl Gampp (Mike’s father) will celebrate his 90th birthday today. Friends and family are invited to a reception in his honor at the Minford Senior Community Center today from 204 pm. Omission of gifts is requested.

Big News

Saturday, Feb. 23, **Terry and Laryssa Grashel** both confessed their faith in Christ, their determination to live for Him and were baptized in His name. This has already been announced but we neglected to get the information in the bulletin. (Our apologies for the omission). We are rejoicing with Terry and Laryssa and welcome them to the congregation.

A Reminder to All

Mark Gampp has been given responsibility for the upkeep and repair of the building. Please do not spend any of his budget without first checking with him.

Local Mission Opportunity

In light of the recent mission trips, another mission field has been identified that requires immediate attention—our own community. There are many in our community who have both spiritual and physical needs. We feel that we should begin addressing the spiritual needs of our community by taking care of their physical needs first. The Angel Food ministry has been a successful way to do just this, and has given Sunshine a better presence in our community. However we would like to take another step in this direction by providing free food to those in need.

Each summer many of us who raise gardens bring in our extra vegetables and fruits to share. We would like to redirect this practice and begin a "Farmers Market" to provide those in need with free produce.

We are tentatively planning to have the Farmers Market on Monday evenings, and on Angel Food pick up days. We ask that anyone wishing to participate bring their produce with them to church on Sundays. We are also considering doing some canning and freezing to set food back for the winter months.

The farmers market will not be advertised. We will target people/families identified through Angel Food ministry, those brought to our attention by the membership, through the benevolence program and walk-ins. While we will not turn anyone away, this ministry is meant to benefit those who truly need help.

Please plan to plant a little extra in your gardens. There are also
