Prayer Concerns

For our nation as we are going through troubled times

For our national leaders and world leaders as they lead their respective nations.

For our troops in Afghanistan, Bosnia, Korea, Iraq, Liberia, Haiti and other places.

For Todd Fulkerson (Special Forces in Afghanistan--known to Gabe Coriell)

For the innocent who are suffering in the midst of war.

For the "people in the box"-- the lost in our families and community.

For those who are being martyred and persecuted for Christ in our own time

For marriage to stand in our laws as God ordained it.

For the church in Siliguri and Naresh Chetri

For the churches in Honduras and Haiti who partner with us in the gospel

Thanks to You and Praise the Lord!

Thanks to all of you who have inquired and prayed about my shoulder surgery. It has gone better than what I had hoped and I attribute that to the Father listening to your prayers. Also, thank you to **Dennis Ruch** who will be speaking in my place this morning. I did not know how things were going to go so I asked him to step in and do this for me. I know this will be a great lesson. It's always good to hear from our brother Dennis. -- Steve.
