## Proverbs 16:9

“The mind of man plans his way, But  
the Lord directs his steps.” NAS

God is not a dictator, He gives us our free will to do what we want. The trouble with this is what we want is not always the right thing or in His will. Our salvation cost Jesus, His death on the cross, our free will costs us or can pay big dividends. If we choose to follow the things of the world that we think will help us and are out of the will of God, then we pay dearly but if we follow Him and His will, then we get paid abundantly. If we refuse to accept Him as our saviour, then we pay abundantly by being eternally separated from Him in hell BUT if we accept Christ as our saviour, then we get paid abundantly with eternal life with Him.

It's our choice. aka our free will!!!!

## Let's Lighten The Load

Serve one another. Galatians 5:13

Carry each other's burdens. Galatians 6:2

Build each other up. 1 Thessalonians 5:11

We don't know what our destiny will be, but one thing we can know for sure: the only ones among us who will be really happy are those who will have sought and found how to serve.

Love will cause us to put the needs of others above our own and do so joyfully.
