## There Is a Storm Coming!

I recently read that an eagle knows when a storm is coming and prepares for it by finding a high spot to wait for it. When the storm comes, it simply spreads out its wings in such a way that the wind lifts it high above the storm.

What a contrast from the way we prepare for a storm! We board up our windows or find a safe spot in the basement or under the stairs.

This makes me think of the contrast between those who are ready for the Lord's coming and those who are not.

There is a scene in Revelation 6 where God executes his judgement on those who had slain his faithful once. There stars fall from the sky, the earth shakes, causing the once powerful people to cower in the caves praying for a cave-in to hide them from the one seated on the throne and the wrath of the lamb.

In contrast, those who have died in Christ will soar from their graves to meet him in the air, followed by those who are still alive when Christ returns.

They will be unharmed by the storm of fire that will destroy the world and all its works.

We know that a storm is coming.

Are we prepared, just as Noah was prepared?

For us as Christians, it is not dread, but hope, because a new home with the Lord awaits us.

God Loves You and We Love You Too
