New Ministries Coming to Sunshine

Christian Family Movie Night

There are going to be Christian Family Movie Nights here at the building starting very soon. Anyone interested in coming for an evening of good, clean, entertainment for the whole family, please sign your family's name on the sign up sheet in the foyer. Movies will be shown one evening each month. Feel free to bring a date or a friend to share the evening with your church family. No longer will you have to worry about what your eyes will see on the "silver screen" or what your ears will hear. It will be great fun for everyone! The elders have requested that no food or drinks be brought to Movie Nights. It has been suggested that you eat before the movie as a family. Anyone who has any comments or questions please see Jennifer Gampp.

WWW.SUNSHINE-CHURCH.ORG

After a 2 year absence, our church website is coming back, new and improved. This time around we plan to provide more changing content including a message area, online chat rooms for members only, an electronic version of the church directory, e-mail, downloadable audio files of some of Steve's sermons and our beautiful singing, the weekly bulletin, and much more. We have just started working on this ministry, look for an announcement of it going online in about a month or so. If you have comments or suggestions for other things that you would like to see on our website, please see Al Graff.

Please Pray For...

For our national leaders and world leaders as they lead their respective nations.

For our troops in Afghanistan, Bosnia, Korea, Iraq, Liberia and other places.

For the lost in our families and community.

For the ban on partial birth abortion to stand as law.

Jeremiah Gayheart (7 yrs old) has an inoperable brain tumor.

Betty Smith (Millie Lemon's sister) has been moved to Heartland.

Wanda Coriell will be interviewed on March 18 at OSU for a possible kidney transplant. We are praying that she will qualify.

Kenny Shumway (Carol Conkel's brother in Indiana) is being treated for a serious kidney condition.

Alex Cram is still having major breathing problems even though he is at home. He had an appointment with a specialist in Cincinnati on Friday.

Heidi Blackburn (Gary Blackburn's wife) has been diagnosed with cancer of the liver.

Trevor Hudson (an 8th grader at Minford) is now home with Chron's Disease.

Nathan Mullins (Steve Williams' nephew) is in Iraq with the Army Reserves.

Gene Crisp is having great pain and difficulty with arthritis in his spine.

Ivy Glispie (Gary Glispie's grandmother) is suffering with TB of the spine. A recent MRI shows a suspicious spot.

Charles Short (Karren Griffith's brother) is in James Cancer Center in Columbus for the next 4 weeks, receiving an experimental drug in chemotherapy.

Terry Young (Sarah Gilliland's daughter) is going through a very difficult time and is in need of our prayers.

Mark Canter's wife passed away on Monday. She is a mother to two young children.

Travis Scott is suffering with a kidney stone.

Elmer Duncan (Jack Jennings uncle in Texas) had a massive heart attack on Thursday. The prayer chain was activated and he is sitting up in bed today. Praise the Lord.

Welcome Visitors!

We gladly welcome you to our congregation, trusting that if you are seeking Christ you will find Him here. If sorrowing you will receive comfort, if troubled in spirit you will gain the blessing of peace, if discouraged you will rejoice in hope, if friendless you will find companionship and Christian love. That these and other blessings may be yours is our prayer.

Home Groups Begin March 7

Today we have our pads laid out in the foyer for the Sunday PM Home Group Meetings. The meetings begin next Sunday evening and continue through April 4, 5 nights in all. We will be using Willard Tate's **Habits of a Loving Heart** (Lesson's 6-10) as a basis for the group discussion and Bible study. Pick out a home where you have never been before and sign up to be there for this special time.

Home Group Info and Materials

This morning all those who are hosting a home group in their homes and all those who are serving as co-leaders of the groups need to pick up their information sheet, their videos and materials from the pews in the front of the auditorium. Hosts need only the information sheet. Co-leaders need the information sheet, videos and packet with class materials. Names are on the materials and sheets.
