Grandparents Again

Vic and Arlene Knore have become grandparents again through their son, **Don and his wife, Lisa**. Don and Lisa are completing the adoption of **Coleman Daniel Knore** this weekend and have been back in the US only a few hours as we read this bulletin this morning. Coleman turned one year old on Saturday, April 28, and was finally cleared for adoption by the Russian government yesterday. Congratulations to Vic and Arlene and the whole family as they have added another member. Coleman's picture is on the bulletin board in the foyer.

Fort Hill Renovation Plans

Extensive renovations to the cabins and grounds are planned at Fort Hill Christian Youth Camp this spring before camp begins. May 7 through 24 The Sojourners will be at the camp to help with these renovations. (The Sojourners are a group of Christian volunteers who travel the US most of the year looking for Christian works which need help with building projects.) Move local volunteers are needed to help with these projects (electrical, plumbing, carpentry, general labor). How about it, Sunshine? If you are available and willing to help during the time slot mentioned above, see Jack Jennings. He'll sign you up. We need men to help with the worship services and with the class. Also, we need people generally to help with the singing. A sheet is posted on the bulletin board to allow you to sign up for various parts of the Bible study or Worship service.

New Additions

Jamie and Kristy Veach and their family (**Bryce, Ezra and Maddy**) would like to make Sunshine church of Christ their home congregation. Jamie and Kristy have been Christians for a long time and were our co-workers in the Katrina Relief effort back in 2005. They have been attending services here for several months and after much prayer they believe this is where God wants them. Be sure to give Jamie and Kristy a Sunshine welcome this morning.

Thank You

First of all, I want to thank and praise the Lord for the way He has answered our prayers (yours and mine) in regard to the tumor in my brain. The doctors are very happy how the tumor is responding to the treatment and things look so much better now than they did 3 or 4 months ago. I also thank you, my brothers and sisters in Christ, for standing with me in this critical time. Rushie, Rikki and I will never forget what you have done. And we ask you to please continue in your prayers. This will be a long battle and we need your support. God bless you all.

Rick and Rushie and Rikki.

Father/Son Campout

The Annual Father Son campout has been scheduled for Friday June 15. All fathers and sons are invited to come for a fun weekend of fishing, camping, hiking, and other 'boy stuff'. More information to follow, but save the date!! Questions? See Rich or Dewey

Prayer Requests

For our national leaders and world leaders as they lead their respective nations.

For our troops in Afghanistan, Bosnia, Korea, Iraq, Liberia, Haiti and other places.

For the innocent who are suffering in the midst of war.

For the lost in our families and community.

For those who are being martyred and persecuted for Christ in our own time

For marriage to stand in our laws as God ordained it.

For the church in Siliguri and Naresh Chetri

For Tim and Jennifer in the adoption process

For the success of the mission trips to Haiti and Honduras

Emmett Coriell (brother of Estelle and Austin Coriell in Alabama) has a mass on his liver that is causing concern. Tests and treatments are being done.

Praise Report: Rick Richmond was told by the radiologist this week that his follow up MRI of the brain tumor definitely shows shrinkage—4-6 mm all the way around. PTL!

Jim Havens (Dick Havens' brother in New Mexico who has serious chronic health problems) is very discouraged about his situation. Dick and Gary (Glispie) have gone to NM to be with him.

Brenda Kallner (Aaron's mother) had knee replacement surgery on Monday and is recuperating well.

Russ Gilliland is having breathing problems related to a mastoid cyst. Doctors appointment on May 2.

Jon Coriell had further procedures done on Monday for his kidney stone problem. He is still off from work and in great pain.

Connie Gardner (Julie Miller's aunt in Lexington, KY) had hip surgery a couple weeks ago, but her recovery is not going well.

Paul Jacobs had carpal tunnel surgery on Tuesday (Riverside). All went well. His other hand will be done in a couple weeks.

Sarah Riley (Jamie's mother) is in Four Winds Nursing Home near Jackson and doing much better.

Terry Knicely is currently a patient at University Hospital in Columbus and cards and prayers would be appreciated.

Derek Miller made it safely to Chagcharan on Friday. PTL.

Minford School District as they are making hard decisions about how to handle their financial problems. Several people in our own congregation could be affected by their decisions.
