Changes in Spirit Club

We have completed about a year a half of Spirit Club and have learned from the experience. We are wanting to provide some new options that should make things a little easier for parents, especially those who have two or more children in the Spirit Club.

Option One: If using the current Spirit Club Handbook is working for you and your children, please continue to use it as you have been. OR

Option Two: Starting in June, 2007, we will designate a single verse or piece of memory work in the bulletin which can be used in lieu of the Handbook verse for the entire family. We will take the whole month to teach the verse to the congregation at the beginning or end of our assemblies. Whenever possible we will teach a song that will aid in the memorization of the verse. The verse can be worked on in CBT and in classes if the teachers and leaders want to do that. At the end of the month, if your son or daughter has successfully memorized the piece—the parents have to determine this and turn in the report—then they have done

their Spirit Club work for the month. OR

Option Three: Parents can select any verses they desire to teach and adapt them to suit the age of the children. We still need the parents to turn in the monthly report if they want their child to receive recognition.

We have already selected the verses we want to use for Option Two for the rest of 2007:

June	Luke 2:52
July	Habakkuk 2:20
August	Psalm 119:106
September	Psalm 118:24
October	Philippians 4:4
November	John 3:16
December	Matthew 6:33

We hope that the changes will make it possible for more of our children to participate in Spirit Club.

Father/Son Campout

The Annual Father Son campout has been scheduled for Friday June 15. All fathers and sons are invited to come for a fun weekend of fishing, camping, hiking, and other 'boy stuff'. More information to follow, but save the date!! Questions? See Rich or Dewey
