PRAYER REQUESTS

For the innocent who are suffering in the midst of war.

For the lost in our families and community.

For those who are being martyred and persecuted for Christ in our own time

For marriage to stand in our laws as God ordained it.

For the church in Siliguri and Naresh Chetri

For the churches in Honduras and Haiti who partner with us in the gospel

For Tim and Jennifer in the adoption process

Sharon Gampp has been diagnosed with kidney disease and presently has only 32% of kidney function. The doctor is trying to stabilize things through medicine and diet so that she can avoid dialysis or transplant. Prayers for a healing and the peace of God to rule in her and her family.

Charlotte Brisker's vision problem stems from a series of mini-strokes. The doctor says there is a small chance she may regain her vision after a while.

Miles and Ashley Ferguson in the loss of their five-week old child and current legal problems.

Mary Ellen Kallner (Sarah Gilliland's sister in law) having serious problems controlling blood pressure.

Tally Hermann (10 month old daughter of Craig and Jamie Herrmann) was born with her lower organs outside her body. This has required much hospitalization, a respirator for breathing and around the clock nursing care. She was scheduled for surgery this week to reinsert her organs into the body cavity; however, a serious problem with her lungs has been detected and the surgery is now on hold.

Josh Adams (8 year old with terminal cancer from Stanford, KY) is asking for prayers and a get-well card from each of us. Before he dies, he hopes to set the world record for most get-well cards. His days are numbered. Address is on the bulletin board and here: Josh Adams; 124 Englewood; Stanford, KY 40484.

Rodney Lens (a senior at Northwest HS) is in Children's in Columbus after collapsing at football practice. In the course of his treatment, a rare type of brain cancer (Stage 4) was discovered. The doctors says his chances of survival are about 50/50. Prayers for the family and for Rodney.

Phyllis Reed (neighbor to Kaye Hammond) is having serious health problems.

Arthur Parker (Christian friend of Bill Gammon) has been diagnosed with leukemia.

Devin Gragg (10 yr old nephew of Shawn Gragg) is having chronic kidney problems and may have to have one of his kidney's removed.

Dawson Veach (6 yr old grandson of a friend of Noel and Aaron Franke) is undergoing chemotherapy for cancer found in his ear. Doctors have done surgery to remove the cancer. The chemo is making it difficult for him to keep food down. Prayers for Dawson and his parents.

Praise Report: Renee Bissell (Vivian Woodworth's daughter in Nashville) had her surgery on Friday. The surgeon says "it's the best we could hope for." Lab results from lymph glands are still pending. PTL and keep on praying. Her address is: Renee Bissell; 2578 York, Nolensville, TN 37135.

Sympathy Extended

To the family of **Tony Griffith** (Sam Griffith's nephew in Georgia). Tony died on Tuesday as a result of a motorcycle accident in South Carolina while visiting with his son. Sam is driving his brother, Frank (Tony's father) to the funeral.

To the family of **Carl Eckhart** who passed away in a Columbus hospital on Thursday after suffering with complications from surgery. Viewing is today from 4-6 at Allen-Erwin-Dodson. Funeral is Monday at 2 pm with one hour of visitation before.

PM Services Today

This evening, if all goes as planned, we will be having our short period of worship at the beginning as usual. But in the time slot flowing, we will be hearing more from **all** of our Honduras Mission Team and hopefully be able to see some pictures of the trip. We are leaving it up to the teachers to decide if they will have class or if they will bring their class out into the auditorium. We recommend that the older classes (Grade 4 on up) be in the auditorium and maybe the younger classes should go ahead with their routine. Please note that the curriculum has been adjusted so that next Sunday evening we will be doing the scripture lesson that was originally assigned for tonight.

Spirit Club Verse of the Month

Psalm 119:105 Thy word is a lamp unto my feet and a light unto my path.

Thank You Card Received

From the family of **Allen Hargis** (son-in-law of Etta Lewis) thanking us for the prayers that have been said on his behalf. Card is posted on the bulletin board.

Seriously Speaking

A man's pride brings him low, but a man of lowly spirit gains honor. Prov. 29:23

People often say, "Don't take yourself so seriously." We need to be serious about a lot of things, but we do often take things more seriously than we should.

Margaret Fouteyn said: "The most important thing I have learned over the years is the difference between taking one's work seriously and taking one's self seriously. "To take one's work seriously is imperative, and to take one's self seriously is disastrous."

We must learn the difference if we want to be happy in life. Someone said: "Things have a way of averaging out. If you think too much of yourself, others won't."

Congratulations, Higbees

The newest members of the 66 Club are all members of the same family, the Higbee's. **Ryan, Zach and McKenna Higbee** all have said their 66 books of the Bible in order. We congratulate them and hope they enjoy and read their new Bibles.

Parable Of The Talents

For the kingdom of heaven is as a man traveling into a far country, who called his own servants, and delivered unto them his goods. And unto one he gave five talents, to another two, and to another one; to every man according to his several ability; and straightway took his journey. *Matthew 25:14-15*
