Quarterly Deacon's Report

We have finished another quarter and as you can see a lot of things are changing. We deacons are very excited about the recent progress and for what the future holds. Keeping with our promise to keep the lines of communication open, here is what's new:

- **Land Purchase**

As Shaun McCray announced to the congregation on Sunday June 12th, Sunshine has purchased property just north of our current location off SR 335, close to 11 acres of what used to be the McKenzie farm. As of now the land is being used for the crop program and has soybeans starting to grow. We are very excited about the future of the land and the crop program. The land was also purchased as a backup to the building project. As of now we are continuing with our plan of adding on to our existing site, but with the uncertainty of the new road project and the possible growth of the airport we now have someplace close to move to if needed. Thanks to all those involved in getting the land purchased and the crop program going.

- **Building Project**

Phase 1 of our building project is close to being complete. We are putting the finishing touches on our new classrooms and all are expected to be in use for VBS. This helps solve our need for more classroom space. Along with the new classrooms, new chairs are sitting in the annex. Our pews have been sold and Gabe Coriell is working on getting them transported to a new home. We shall enjoy new seats and increased seating soon! Now onto Phase 2.

- **Home Groups**

We all agreed that home groups were a success this past spring and look forward to new lessons in the fall. We decided to change to four weeks and Jason Coriell is currently looking into different topics for the lessons. There was an increased attendance this past spring and we hope for even bigger numbers in the fall. Make sure to find a group and join the fellowship.

- **Program of Work**

Look for the latest addition of our program of work. Gary Glispie is expecting it to be completed within the next month. Be prepared to pick up a copy, see who is in charge of the areas of your interest and join in. We are always looking for people to help.

- **Work Programs**

Speaking of joining in, Dewey Cordle has several projects that need to be done this summer and there is a great chance that you can help. We have some roofing, weed eating and building that need to be done, so if this sounds like your idea of fun, talk to Dewey. Also, if there is a job or task just too big for you, please ask. Dewey and his gang are ready, they just need to know where and when.

Again, we the deacons thank you and look forward to serving the needs of the congregation. If you ever have a question or would like us to discuss something at our meetings please talk to any of us.

The Deacons: Dewey Cordle, Gabe Coriell, Jason Coriell, Nick Davis, Scott Gampp, Gary Glispie, Al Graff, Shawn Gragg, Aaron Kallner, Aaron McCray, Shaun McCray, Homer Miller, Eugene Risner and Mark Risner

VBS NEWS

1. All Hands on Deck. We still have a few slots open on our Support Workers Sheet for VBS. We are definitely needing help with Guides for our younger groups. If you are available **some** of the nights of VBS, go ahead and fill in the nights you would be willing to work.

2. We are now signing up students for VBS. There are flyers and registration cards you can use to invite the children of friends and neighbors. Pre-registration is not necessary but it would be helpful. The only people who need to fill out registration cards are the children of people who don't ordinarily attend Sunshine. If your children come to Sunshine on a regular basis, the only thing we need is for you to sign their names on the appropriate registration pads laid out on the table in the foyer. Remember, our promotion does not happen until the Fall. If they were in the fourth grade this past school year they are still in the fourth grade for VBS.

3. Cookies and Veggie Plates for VBS. If you would be willing to bake cookies or bring a vegetable plate for refreshments for VBS, please sign the sheet on the table in the foyer for the nights you would supply the them. For cookies, we are looking for 5 dozen for each time you sign up. For Vegetable Plates, just a nice platter with cut-up carrots, celery, etc. Remember, no nuts or peanut butter in the cookies. See Teresa Hayward for details.

4. Friday Night Program/Picnic. We need lots of help to get through Friday evening. Sign up for the slots you are willing to cover.

5. Our attendance contest for VBS starts with the first night of VBS. The prize goes to the class that brings the most visitors during VBS. A visitor counts each time they come through the week. The prize? A can of silly string for every student in the winning class to be sprayed on Count VBS on Thursday night at the end of VBS.

6. MEETING THIS MORNING FOR ALL VBS SUPPORT WORKERS right after services in the annex.

7. Be ready this evening after the Honduras Report to help prepare the building for VBS on Monday. Steve has a list of things that need to be taken care of.

Shirts for VBS

Some shirts may be available tonight at church. Be ready with your \$7. Otherwise, plan to get your shirt tomorrow evening at VBS. See Kristi Cordle for questions.

Hot Dog Sauce for VBS

If anyone is interested in donating hot dog sauce for the VBS picnic on Friday please let Heather Gragg know! Thank you!

Wedding Announcements

Lindsey Perry and Emily DeBorde (Cheryl Villinger's daughter) will exchange the vows of marriage at the Ironton church of Christ on June 25, 2011, 6:30 pm. The Sunshine church is invited to witness the vows and support the new bride and groom with their presence. There will be a reception immediately following the wedding to which the church is invited. If you plan to attend please sign the sheet on the bulletin board ASAP to get a count for the caterer.

Addition to the Body of Christ

Last Sunday after morning services, **Abbigale Ruggles** confessed her faith in Christ and was baptized into Christ. Abbie is the daughter of Pete and Jane Ruggles. We are rejoicing with Abbie and her family as she now belongs to the Lord.

No Children's Bible Time Today

So that our kids can see their fathers up front, no CBT today.

Fathers Day Video Presentation Today

After the end of our services, we will take a few minutes and view the video-music presentation honoring the fathers/grandfathers/great grandfathers in our congregation.

Mistaken Beliefs

Based on last week's cover article, "Lessons I Learned from My Dad" and the "Help Dad Golf" maze on the back, you might have guessed (correctly) that I thought last Sunday was Father's Day. I'm not sure where I got the idea, but I was certain about it, beyond a shadow of doubt. I even remarked to Patsy that we would be traveling on Father's Day and not be here to enjoy the video presentation that was planned. She accepted my comment and then we both believed. As last Sunday drew to a close, I was truly disappointed that none of my kids took the time to tell me "Happy Father's Day."

On Monday evening, we noticed that several advertisers on television were continuing their Father's Day sales events and I took a look at the calendar out of curiosity. Lo and behold, Father's Day was still almost a week away!

When you think about it, that's how some folks approach their spiritual life, believing all sorts of doctrines and articles of faith that have no biblical basis whatsoever. In Isaiah 29:13 we read "These people come near to me with their mouth and honor me with their lips, but their hearts are far from me. Their worship of me is made up only of rules taught by men." Rules taught by men, they were blindly following doctrines not based on the Holy Scriptures. Jesus referred to the same verse in Matthew 15:9 and is criticized for offending the Pharisees. In verse 14 he replies "Leave them; they are blind guides. If a blind man leads a blind man, both will fall into a pit."

The phrase "don't believe everything you hear" doesn't just apply to idle gossip. Whether it's about a date on the calendar or something a well-respected spiritual leader tells you, check your facts before blindly going down that road.
