One Second and Twenty Five Years

I'm sure it is not an uncommon phenomenon with me; however, most times I don't specifically notice it. This time I was sitting and while not consciously trying to avoid the task set before me, I found myself 25 years in my past thinking of a conversation I had with my youth minister. That brief mental journey had the effect of giving me, the break I needed to complete the task of the present.

I find it truly amazing how God designed the creation He called man. He placed inside of us the ability to recall a memory from a quarter century ago with clarity as if it were yesterday. (A side note is that I also find it truly amazing that the same man can give credit of this ability to a random chain of mutations, but that is another article altogether).

Why did God give us this ability? Our memory can take us to any number of places, with a smell, a glance or by something read that creates a chain of events that connect in a matter of seconds. I believe one of the main reasons God did this was to give us the ability to praise Him. We should use our memories to connect us to God. We can journey to the time of our baptism, when the water and the Spirit combined to take away our sins. We can remember a blessing, a time when it could only have been God that pulled us through or a Bible verse memorized as a youth that reminds us how much God cares for us.

So take a second and travel to a time God has blessed you then take several minutes to praise Him for His love for you.

***I praise you because I am fearfully and wonderfully made;
your works are wonderful I know that full well. Ps 139:14***

We will be having a fellowship lunch following morning services on Sunday, November 20th. We have a lot to be thankful for, and one thing is our family here at Sunshine. Several Away This Weekend

Between the Teens and College Students being at Spiritfest and the ladies being at the Ladies Retreat we are missing a significant part of our congregation this morning. Let us pray that they will be refreshed and uplifted by the activities they are attending and will make their way safely back to us.

In Siliguri

Tom Kelley and Jason Coriell left on November 9 for a trip to Siliguri (India) to visit the congregation there and to gather information to help in making decisions about the work that is being done there for the Lord. They will be returning on November 19 and will be speaking to the congregation about the trip on Sunday morning, November 20. Please continue to pray for their safe travel, success in their mission and for their families who are waiting for their return.

Veterans Honored Today

November 11 was Veteran's Day. Today at the conclusion of our morning service a brief music-video presentation will shown honoring those connected with Sunshine who have served or are serving in the armed forces of the United States. We thank the men and women who have served our country and us by protecting and defending this land.

Thanksgiving Service on November 27

The Sunday after Thanksgiving we always have 4 of our men thank and praise the Lord for blessings which they have received from the Lord. This is always a great service. This year our four men will be **Eugene Risner, Jimmy Forbes, Jonas Thacker and Tracey Morales**. Pray for this service and for these men as they offer their thanksgiving to the Lord.

"But those who
hope in the LORD
will renew their STRENGTH.
They will SOAR on
wings like eagles;
they will RUN and
not grow weary,
they will WALK
and not be faint."
