Are You Adopted?

Several years ago, I was working in my office when I received a phone call. It was a phone call from a man whom I had never met by the name of Daniel Whitworth. Daniel said, *"David, I have an unusual question to ask you."* *"Uh, okay"* I responded. *"What is your question?"* ***"David, are you adopted?"*** *"Well,"* I responded, *"I don't think so, but I can ask my parents. Why do you ask?"*

Daniel began telling me that he and his two brothers were adopted out to different families when they were all very young. They could not keep in contact with one another as they were growing up because none of the brothers knew where the others had gone. Daniel said he had been able to find and get reacquainted with one of his brothers. Now they were trying to find their other long, lost brother. They wondered if I might be their brother. Daniel had seen my picture in the *Magnolia Messenger*, an informational and instructional religious publication edited by A.L. Franks of Kosciusko, MS. Daniel thought that there may be some family resemblance in our looks, so he decided to call and ask if I had been adopted as a child.

My parents, Glenn & Sara Sargent, assure me that I am their biological child. But if I were not, they would still be my loving parents! They have taken care of me since I was born into the world, and they still bless me with their wisdom, their example, and even frequent meals and occasional help with household projects! (I am blessed to live about a mile away from my parents.) Even if I wasn't related to them biologically, they have loved me as their son, and I have loved them as my parents. If I had not been born into their family, I would count it a privilege to be adopted by them.

There is something very special about parents choosing a child to love and nurture as their very own. Adoption is a beautiful thing, especially the opportunity that each of us has to be adopted into God's family! **Each one of us had been "orphaned" because of our sin, but God loves us so much that He wants to "adopt" us into His family.** Please read Romans 8:15-17 and Galatians 4:4-7. At just the right time, God sent His Son to redeem us from the bondage of sin and to give us the opportunity to be adopted into His family (the church) as His children -- with all the privileges, responsibilities, and rewards that He has for His children. **God adopts and accepts us into His family when...** we place our faith and trust in Him (Acts 16:30-31), turn from our sins in repentance (Acts 17:30-31), confess Jesus before men (Romans 10:9-10), and are baptized into Christ for the forgiveness of our sins (Acts 2:38; Galatians 3:26-27).

Start mailing or giving them to people that you want to be here as a part of the Centennial. 2. Start getting your stories and artifacts together for our Show and Tell time on Sunday evening of the Centennial. Let Steve Miller know what you are doing and how much time you need. 3. Also, we could use a little help with the finances for the Centennial. We were budgeted \$2000 but it will cost us about \$2800 to do everything on the program. If you want to make a contribution to help with this, make your check out to Sunshine but in the memo section put the words Centennial.
