Echoes of Faith

I have been blessed this week by many things... on Sunday our congregation sponsored guests from our mission work in Panama, that night I was honored to speak at the 100-year anniversary of the Sunshine Church of Christ in Portsmouth, Ohio - my first full-time youth ministry 'back in the day' of 1989 thru 1992, rekindled a friendship with a friend/youth minister I knew in college - Clarence Cannon. It seems everything that has occurred this week has 'taken me back to a place that I once knew' - and I am better for the journey. You see, God allows experiences and faith choices to not only bless us and Him in the now - but lives of faith establish themselves as a foundation for memories long gone and propel us to do/be more than we ever thought possible.

Looking back, I wish I would have built better. It would benefit everyone more to look back someday and say, "I took every opportunity and turned it into a moment of living faith" - but we know better. We make selfish choices, sometimes we are oblivious to the obvious, and we think we have 'plenty of time' to accomplish what we know to be right. "Dear Father, establish my faith as an active and living entity - not a re-heated confidence based on guilt or regret."

"...But each one should be careful how he builds. For no one can lay any foundation other than the one already laid, which is Jesus Christ. If any man builds on this foundation using gold, silver, costly stones, wood, hay or straw, his work will be shown for what it is, because the Day will bring it to light. It will be revealed with fire, and the fire will test the quality of each man's work. If what he has built survives, he will receive his reward. If it is burned up, he will suffer loss; he himself will be saved, but only as one escaping through the flames." 1 Corinthians 3:10b-15

"But each one should be careful how he builds..." Wow - these are chosen words by God for me today - and maybe someone reading this feels the same way. I need to build things in my life that won't be 'burned up' but will be choc-full-of-faith and remain because it is built on Christ Himself.

I want to leave you with some words to build on. Earlier this week I shared a name of one of my spiritual mentors in Christ - a minister from the Sunshine church for the 3 years I was there - David Lewis. He passed away of a car accident in 1993, but the echoes of his words still call me to genuine ministry and to spiritual life today. I was listening to one of his sermon tapes and these particular words reached out to me loud and clear. He was reminding the church that how we treat others matters...

"Listening more than talking... loving more than speaking and caring more than correcting. That's what he wants to do for us, then he can get his life out to other people through us." - David Lewis (spoken April 14, 1991)

Now it's your turn to build today - because God "will test the quality of each man's work" - so build relationships for Jesus, construct a heart that cherishes Jesus, and express faith in such a way that others will praise Jesus.

Homes Needed for Home Groups

We will be having four sessions of home groups October 21-November 11. We presently have 9 homes committed, we just need 2 or 3 more. There is a sign up sheet in the foyer for those who would be willing to host a group. The study and discussion this time will be based on four video lessons from Ray Vander Laan's ***In the Dust of the Rabbi***.

Pads are laid out for the Home Group Meetings, pick a group and sign up. In the interest of broadening our circles of friendship and fellowship, please consider signing up for a home

where you have never visited before. Also, please try to balance out the groups number-wise. A couple of the groups have limited space.

The Praise of The Psalmist

The book of Psalms is often known for its songs and prayers of praise. These Psalms of praise are often quoted and used in the praise songs we sing at church. They are found in inspirational greeting cards given for births, weddings, birthdays, and even graduations. We probably all know a verse or two from the Psalms by heart. Interestingly, the last verse of the last Psalm expresses the desire of everything that has breath to praise the Lord. Elsewhere we read verses that describe his steadfast love, his wonderful deeds, and the Lord being our rock. These are all great attributes of God that we should rejoice in and praise him for. But, there are many more verses in the Psalms that are of praise to a God when all around them seems to be crumbling. We read at times the Psalmist feels that he has been forsaken by God, has been hated by others, and is in the pit of destruction. This is of great comfort to us. We must remember that the men who wrote these Psalms were men like us. They were often troubled, going through hard times, and even feeling as though God had abandoned them. We don't always have to be on a spiritual high or feeling good to give the praise to God that he deserves as we learn from the writers of the Psalms.
