Conversation Hearts

It's the month of lacy valentines, rich chocolates, red roses, and those little conversation heart candies that read "SAY YES" and "ONLY YOU" and "BE MINE". This time of year always reminds me of grade school, when the teacher allowed us to make an individual homemade "mailbox" so we could hopefully receive a landslide of paper valentines. I never got that many (not like the popular kids did anyway), but each year I found myself surprised by receiving one or two valentines from kids I never dreamed even knew my name. It's possible those came from kids whose parents made them send valentines to everyone so no one in the class would feel left out, but I didn't care. At least my mailbox had valentines in it.

Wouldn't you be wonderfully surprised to learn that someone is crazy in love with you!? Well, it's true. It's God himself. The whole purpose of us being alive is to know Him and His love for us. And every day He sends us a unique and personal valentine. A gorgeous sunset, a peek at a newborn baby, spring flowers popping out of the ground, the funky sound of a song you like, the endless and tasty variety of cuisines; you get what I mean. God's valentines never stop.

God himself tells us that He is the lover of our souls. He has planned our lives with all the anticipation and excitement of a surprise birthday party. Each day is an opportunity to open His presents.

So this February 14th, please don't only look in your mailbox for valentines. Because God's expressions of love don't always fit in there. Look around you and inside of yourself for messages of passion from the One who loves you more than anyone ever could. God. I promise you'll hear His voice calling out to you with words like "BE TRUE" and "DEAR ONE" and "ONE I LOVE." Sweet!

PLEASE PRAY FOR:

Our nation as we are going through troubled times

Our national leaders and world leaders as they lead their respective nations.

Our troops in Afghanistan, Bosnia, Korea, Iraq, Liberia, Haiti and other places.

The innocent who are suffering in the midst of war.

The "people in the box"-- the lost in our families and community.

Those who are being martyred and persecuted for Christ in our own time

Marriage to stand in our laws as God ordained it.

The church in Siliguri and Naresh Chhetri and Ashok Basfor

The churches in Honduras and Haiti who partner with us in the gospel

Boy Scout Sunday

Today is Boy Scout Sunday in the United States and many other countries in the world. Sunshine church of Christ owns the charter of Boy Scout Troop One and Cub

Scout Pack One in the Minford community. We wish to recognize today our scouts and their families as well as scouts who may be with us from other troops and packs. Cub Scouts are grades 1-5 and Boy Scouts are grade 6 through age 18. We wish to thank the adults who organize and lead these young men in scouting, and show our support and appreciation for the scouting program. Scouting teaches and encourages faith in God, moral development and service to others. Special thanks to Steve Williams and Tom Kelley who have worked with this program for many years.

A verse from Romans 6 has been scrambled with a letter substitution code. Figure out which letters were swapped to reveal the scripture. The answer can be found at the bottom of page 2.
