Here With Us

As my daughter squeezed my hand she was also grinding my ring into the neighboring finger. She was getting stitches taken out but I think I was in more pain. How could a 110 lb girl have that strong of a grip? Whine though I might, I was still willing to let her inflict the pain if it would ease hers.

Often, we wonder how God can let us go through pain if He is supposed to be all loving. "How could He let this happen?" rolls off our lips. Yet, through our own personal pain we lose sight of the fact that God is with us feeling as much or pain as we are.

Ironically, pain entered the world because when God said, *"Let us make man in our image, in our likeness."* (Genesis 1:26a). He also gave the "created image" a choice to follow their Creator. God wanted a creation that would love Him because they chose to, not because they had to. As a result of that choice, sin entered the world and pain, tears, disaster and death, have been a part of it every since.

At the point when God could have turned His back *"...Christ Jesus: Who, being in very nature God, did not consider equality with God something to be grasped, but made himself nothing, taking the very nature of a servant, being made in human likeness. And being found in appearance as a man, he humbled himself and became obedient to death even death on a cross! (Phil 2:5-8).*

Instead of turning His back, God gave us an escape of sin, death, and pain and gave us Himself. *"You see, at just the right time, when we were still powerless, Christ died for the ungodly (Rom 5:6)." So, where is God when we are hurting? He is right there beside us, allowing us to hold onto Him--hurting with us, but also providing an avenue of escape.*

For God was pleased to have all his fullness dwell in him, and through him to reconcile to himself all things, whether things on earth or things in heaven, by making peace through his blood, shed on the cross (Col 1:19-20).

Haiti Mission Trip Here

2014 Budget Available

Copies of the final budget for 2014 are available in the foyer on the table. Questions or comments can be directed to any of the deacons.

Building Reservations

During the month of January Sunshine members have first chance at reserving the building for whatever functions they may want to schedule in the building through the rest of the year. On February 1, the remaining dates are scheduled for non-members on a first-come, first-served basis. If you are planning a **church event** or **family event** that will require the use of the building, please go ahead and get your date reserved with **Delores Gampp**. This is for our members: Please note that sometimes a funeral dinner might need to happen in our Annex. Of course, there is no way to schedule a funeral dinner in advance but it is a high priority with us. In the past we have always had the cooperation of those members who had the building reserved in advance to accommodate the funeral dinner and we thank you. We just want our members to know that if that situation arises we will do our very best to accommodate both activities, but there might be a situation where a scheduled event has to be adjusted to another date in order to handle the funeral dinner situation.

"Official" Church Calendar

Help!!!! There are a lot of people with a lot of ideas and plans around here. If you have an event or activity that directly involves the church, please take a look at the "official" church calendar in the office and see what else is happening before you pick a date or do any detailed planning. **Write your event and your name** on the date so the rest of us know to stay away from that date and who to call to find out about it. Also, it might be good to locate the deacon who oversees the area that your event/activity falls in. He will appreciate a "heads up" and may be able to help you.

Winterfest 2014 Registration

Flyers with full information on Winterfest 2014 are available on the table in the foyer. Dates are February 14-16. Cost is \$110 per person. This covers transportation, 2 nights lodging and Winterfest registration fee. Food, souvenirs and other miscellaneous expenses are not included in the \$110. Registration will be handled through the church's website. Accommodations are limited to 100 people. Questions, check with Jamie Riley, Tim Gampp or Shaun McCray.

Seeing Hope

The Flatwoods church of Christ is collecting old prescription glasses to distribute in Peru where they are presently involved in a mission work. They have asked us to help them by gathering up all our old prescription glasses and sending them to Peru. There is a basket in the foyer for collecting these glasses. We have until January 31, to get everything collected. See Cheryl Villinger if you have questions.

Directory Update

Rachel Jarvis has a new address in Columbus while attending OSU. Please note the change in your directories: Rachel Jarvis; 700 Franklin Avenue, Apt 4 Columbus, Ohio 43205 Cards and notes appreciated.

Valentine Gala Upon Us

Saturday, February 8, is the date for this year's Valentine Gala. The Grand March starts at 7 pm in the MHS gym. Tickets are \$5 per person and are available at Bennett's, the Pharmacy and Praises. It takes a lot of people to make this event happen. Whatever job you did last year, please plan on doing it again this year. Check in with Mark Gampp right away and let him know what you can do. There will be sheets laid out on the table in the foyer to help with things like set up, serving, clean up and cookies. Find your slot and sign in. More details see **Mark or Delores Gampp**.

Track Coach of the Year

Recently the Ohio Track and Cross Country Coaches' Association selected our **Greg Shepherd** to receive the Fred Dafler Award for 2014. This award is given for lifetime accomplishment and service to youth in the area of coaching. Greg will receive his award this Friday in Columbus at the annual banquet of the association being held at the Easton Hilton Hotel. Greg has taught PE and coached track & cross country in the Scioto Valley School District for over 30 years. The recognition being given is well-deserved. Congratulations to Greg for rendering faithful service to Christ as he has worked with young people these many years.

PG Men Manual Available

13 of our men began meeting Wednesday evening for the first installment of the DVD series **The Mousetrap**. There are 18 sessions. The class is a combination of DVD, discussion, prayer and scripture. We would be glad to have a few more guys for the group, **meeting in Room A3 in the Annex**. Plan to stay till 8:30, rather than 8:15. There is an optional \$14 manual that goes with the class that can be purchased. If you want a manual sign up on the sheet on the table and give Steve Miller your money. Deadline for paid orders is today.
