MY WAY

By: Marion Stroud

Now I know that there is no God in all the earth, except in Israel.

—2 Kings 5:15

Two small boys were playing a complicated game with sticks and string. After a few minutes the older boy turned to his friend and said crossly, "You're not doing it properly. This is my game, and we play it my way. You can't play anymore!" The desire to have things our own way starts young!

Naaman was a person who was accustomed to having things his way. He was commander of the army of the king of Syria. But Naaman also had an incurable disease. One day his wife's servant girl, who had been captured from the land of Israel, suggested that he seek healing from Elisha, the prophet of God. Naaman was desperate enough to do this, but he wanted the prophet to come to him. He expected to be treated with great ceremony and respect. So when Elisha simply sent a message that he should bathe seven times in the Jordan River, Naaman was furious! He refused (2 Kings 5:10-12). Only when he finally humbled himself and did it God's way was he cured (vv. 13-14).

We've probably all had times when we've said "I'll do it my way" to God. But His way is always the best way. So let's ask God to give us humble hearts that willingly choose His way, not our own.

Father, forgive me for my pride and for so often thinking I know best. Give me a humble heart that is willing to follow Your way in everything.

Humility is to make a right estimate of one's self. Charles Spurgeon

INSIGHT:

In Luke 4:27 Jesus referred to the healing of Naaman: "And many lepers were in Israel in the time of Elisha the prophet, and none of them was cleansed except Naaman the Syrian." His words are a reminder that God's concern and compassion are not limited to His chosen people, Israel, but extend to both Jew and Gentile.

Baptisms at Camp

At this point, we know that **Alyssa Coriell** was baptized at Fort Hill on Tuesday evening (?). And the word was that at least 3 others did the same. I do not know if those 3 were Sunshine kids or not. I'm sure we'll hear this morning at church. Anyway, we rejoice today with Alyssa and her family. She has been translated from the kingdom of darkness into the kingdom of His Beloved Son. PTL!
