Back Door

The back door - it's a showdown of epic proportions...

In this corner...the FBI seeks information to save lives and foil the bad guys with their evil plans...

And in the other corner...Apple Inc. stands defiant to create a back door into their own technology, which would possibly create an unsafe breach that might one day cause the bad guys to thrive even more.

Back doors create access - and isn't it amazing... the older we become, the more we learn, after all we have been through to get where we are/the more we think we change... there will always be those wide-open back doors of access that go straight to our hearts... our family, our faith, our struggles and our precious memories. This is who we really are inside.

"The Spirit searches all things, even the deep things of God. For who knows a person's thoughts except their own spirit within them? In the same way no one knows the thoughts of God except the Spirit of God. What we have received is not the spirit of the world, but the Spirit who is from God, so that we may understand what God has freely given us." 1 Corinthians 2:10-12

There is no question if the back door exists - the only question is... are the most meaningful parts of us committed to Christ and Him alone or to something/someone else? Access = excess. What you give access to, well, that's what we will emphasize the most in this life.

Are you about faith - or fear?

Are you about family - or finances?

Are you about showing love - or receiving praise?

May your spirit be so firmly attached to His Spirit... that He has the access to mold and shape you into the very image of Christ.

I've always heard... the battle between good & evil is like two teams of horses going in opposite directions. The one that wins is the one you say, 'giddy-up' to.

That's a showdown of epic proportions. Choose wisely.

"But with Christ, we have access in a one-to-one relationship, for, as in the Old Testament, it was more one of worship and awe, a vertical relationship. The New Testament, on the other hand, we look across at a Jesus who looks familiar, horizontal. The combination is what makes the Cross." - Bono

Sunday PM Home Groups

Not too late to sign up for a home group. Find the pads in the foyer and pick your group. Hosts, don't forget to record your attendance from last Sunday night on the chart on the bulletin board. Lesson tonight is number 3, Pergamum. Check with Steve Miller if you need help solving a problem.

Welcome To All of Our Guests

We give a special welcome to all of our guests today. If this is your first time here, we would like to remind you to stop by the Welcome Center in the foyer at the conclusion of services and sign our guest registration and receive a small welcome gift for being with us today. If you have children with you, you may want to take advantage of Children's Bible Time. Just before the adult lesson we dismiss children up through age 13 to classrooms in the back and in the Annex for a lesson on their level. Check the Children's Bible Time article located in our bulletin today for more information.

Children's Bible Time Restructured

Starting in February, CBT has been restructured. The age groups and meeting rooms are now as follows:

0-23 months	Cradle Roll Room
2 yrs – 4 yrs	Room #1
5 yrs – 8 yrs	Room #3
9 yrs—13 yrs	Annex

We are learning the 66 books of the Bible. Our mission is for every child to learn the 66 books by the time they graduate CBT. We are also wanting to practice giving. Our CBT offering will go towards building a house for a family in Honduras. As usual just before the adult lesson on Sunday mornings, we will dismiss our students to their class areas for a lesson geared for their age.

Baby Shower Coming

Come join us in welcoming Baby Girl Everett, the soon to be born daughter of Garin and Bethany (Miller) Everett, Saturday March 12th at 11:00 in the annex. Beth is registered at Walmart, Kohls, and Babies R Us. See Mary, Jessie, or Meaghan for more info.

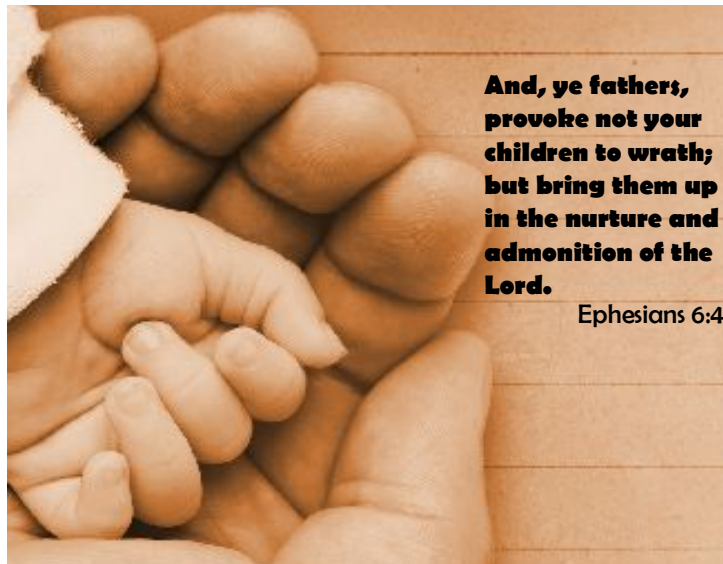

Help Needed With The Conference

The parenting /adoption Conference is coming up quickly. We have families coming but not enough people to help with childcare! Childcare workers will need to arrive at 9:30 am. The conference is over at 6 pm. If you are age 14 and up please consider signing up to help on Friday, April 8 and/or Saturday, April 9. If you can only come for part of a day please make note of that on the sign up sheet in the foyer. Right now we only have one adult signed up for Friday. If you have any questions, please see Kim McCray or Sharon Hallam.

Parenting/Adoption Conference Signup

If you are a member of our church and plan to go to the Empower to Connect Conference and will be bringing any children **WE REALLY NEED YOU TO REGISTER ONLINE ASAP.** We are trying to plan activities for the children that we will have in childcare. It is important that we have accurate numbers so we can have enough of everything.

Adoption T-Shirt Sale

In order to help cover some of the cost of adopting their 2nd child from China, Tim and Jennifer Gampg have designed a special T-shirt which they will be selling. It's dark gray with white continents and scripture. Sizes up to XL would be \$16. 2XL and up would be \$19. Each shirt sale would yield about \$10 for the cause. For more information or to order a shirt please see Tim or Jennifer Gampg.

Sunshine Text Alerts

If you would like to receive Sunshine text alerts on your mobile device: Text the word "Sunshine" to 292929. See Aaron McCray for assistance.
