Some Changes Coming

I am sure you noticed the change which has happened in the foyer this morning. We are calling it the Sunshine Welcome and Information Center (or something like that). The booth will be a part of our efforts to do a better job of welcoming first time visitors to our services and to make sure that no one who needs help navigating to restrooms, classrooms, offices, annex or whatever has to feel their way around. There will always be two or three smiling people available at the booth to help out to get people to where they need to be and to supply whatever information may be needed to have a great first visit at Sunshine. The welcome center will also be our way of making sure we connect with people who come. We plan to have small visitor gift to give them at the end of services as a thank you for being present. Also, we have another group of people who are on standby to show Sunshine hospitality to those who come our way. That would be our hospitality teams. We'd like to make it so that people who visit with us also get invited to eat lunch after services with one of our Sunshine families or maybe at a more convenient time later in the week. We have always been a friendly congregation, ready with a handshake and a smile for everyone, but we have decided that maybe we need to go the extra mile to show people we really are glad they are here and we want them to become a part of the body of Christ here at Sunshine.

What the Welcome Center represents is the beginning of a series of changes that we will be making over the next few months to bring new faces into our assemblies and to do what we can to connect with them for the cause of Christ. We have had some success in this area in the past but in the last few years our visitors have become fewer and fewer. We feel the need to reach out more to the people in our community. This will create some inconvenience on our part but I know that you will put up with those inconveniences and extra efforts if they result in a harvest for the Lord.

Next Sunday is our first step in this direction. We are inviting the Fathers and Daughters who attend the Gala to come to one of our morning services over the next three Sunday's: February 7, or 14 or 21. We are offering to sign them up for free tickets to the Gala next year if they will visit in our assembly on one of these three Sunday's. I have no idea how many, if any, will take us up on that offer. We could be overwhelmed. We could be underwhelmed. I don't know. But we want to let the families that come to the Gala know that we have been behind this event for 20 years and we would love to have them get to know us better. Help us out on the seating. You might have to move to the middle or step into the aisle so that our guests can find a place. Please do and smile while you are doing it.

Next Sunday is also our first Sunday to have an Expanded Children's Bible Time program available that will include students from age 9-13. In the past the cut-off age has been age 8. But based on what parents have been telling us, we think the expansion of the Children's Bible Time is at least worth a try.

There are other things coming. We'll keep you informed. But I want to assure you that this is not just about making the church bigger in number or justifying the addition of a second service later on in the year. This is about fulfilling a mission that Jesus gave his disciples and that carries forward to us. We know we can do a better job than we have in the past and if we do a better job, we will be changing the eternities of many people. That's what the lesson is about this morning. Steve Miller

Tickets are still \$5/person and are available at Praises and Minford Pharmacy. Empowered To Connect Conference

Coming to Sunshine church of Christ. April 8-9, 10am - 6 pm. A two-day conference designed to help adoptive and foster parents, ministry leaders, churches, counsellors, social workers, therapists, and professionals better connect with "children from hard places" in order to help them heal and become all that God desires for them to be.

The conference features Dr. Karyn Purvis, & is sponsored by Show Hope Ministries (associated with Steven Curtis Chapman) and endorsed by Focus on the Family. This event is NOT just for adoptive parenting, but will provide parenting techniques that can work with ANY child.

We will need YOUR help Sunshine to pull this off! Including people who would be willing to help provide childcare for parents attending the seminar, host families for adoptive families who need a place to stay for 1-2 nights (air mattresses or a couch is FINE! This is the most flexible group of people you will ever meet!), and meal/s n a c k p r o v i d e r s !

If you are interested, please meet in the annex for a short meeting to discuss ways you can get involved..... If you do not feel called to adopt/foster, but want to be a "cheer-leader" & supportive of this ministry- come on back to the meeting or contact Kim to pick a job you feel comfortable with.
