Reviving Old Scratch

[The following is an excerpt from Richard Beck, Reviving Old Scratch: Demons and the Devil for Doubters and the Disenchanted.]

If you've tended to think of spiritual warfare as mainly about how our prayers give aid and strength to protective angels fighting off aggressive demons, I challenge you to expand how you think about spiritual warfare, because in the Bible spiritual conflict is intimately associated with political struggle. So I hope this insight leads you to explore a more politically and socially engaged vision of spiritual warfare.

But if you've already adopted this socially and politically engaged vision of spiritual warfare, I want you to expand your vision, too. For one thing, Jesus wasn't much of a political activist. When Jesus described the battle he was fighting, he talked more about Satan than about Caesar. And when spiritual warfare is reduced to political struggle its tempted toward violence. For example, as we work for justice in the world, feelings can run hot; we're often tempted toward bitterness and hatred when we face the people we've identified as the cause of the problem. So if Jesus was an activist, he was an activist who preached "love your enemies" and "bless those who curse you." And that battle--the deep spiritual struggle to extend love, mercy, and grace for our enemies--must accompany any vision of Christian activism. Spiritual warfare isn't just political engagement it's also a journey toward love.

VBS A Major Success

Major changes were made this year to our VBS which has helped us immensely in making new friends not only with the children but also with the adults. Skits written by **JoAnna Glispie** were performed by our teens and young adults every night and the kids loved them. And of course, Count VBS showed up along with his new friend, SpellVBS. It was riot! Maybe the biggest change was the addition of the adult class for the parents who bring the kids and would rather stay at the building than go home. That class challenged us in every way to make our commitment to Christ real and practical. Many, Many, Many thanks to **Heather and Shawn Gragg** who headed up the VBS effort for us. Tonight (remember this is Friday morning) we have a carnival for the kids where everything is free for the kids. I know they are going to enjoy that! Thank you to every one who contributed in any way to the VBS effort. You were absolutely necessary. —Steve

VBS Video Review

Each year after VBS we have a music video presentation showing what happened in our VBS. After our closing prayer this morning, please stay in the auditorium for the few extra minutes that will take to watch some of the highlights of the week. Many thanks to **Hayes Wilcox** for his great photography and **Jacob Miller** for putting it together

VBS Thank You

VBS 2016 was a great week thanks to all those who helped and all the families who participated! VBS wouldn't happen without all of you! --Heather

On the 7th of July, **Tim and Jennifer and Zoe Gampp** are headed for China to pick up Toby and bring him back to his forever home. Please pray for the Gampp's as they make this trip.

Welcome To All of Our Guests

We give a special welcome to all of our guests today. If this is your first time to visit with us this year, please stop by the Welcome Center in the foyer at the conclusion of services, sign our guest register and pick up your gift for being one of our guests today.

New Deadline for Bulletin Announcements

The elders have recently hired a full-time worker to be in the church office during regular office hours. If you are wanting to get something in the bulletin, please have it written out and left in the office by the computer or email it to info@sunshine-church.org before Friday at 8 am. This will give our new office worker a chance to put it together and make it look really fine. By the way, the person the elders hired is Brittny Saunders. She comes to us through Innermission and is well-qualified to handle the responsibilities.

Monthly Birthday Celebration

Each month until further notice, those who have a birthday in that particular month get a little birthday party in the Annex on a Wednesday night after the Bible study, courtesy of **Mark & Cheryl Villinger**. Those who have the birthday will be honored, and everybody else is invited to join in the celebration and refreshments.

Family Fill-Up Coming

Sunday, July 24, is Family Fill Up Day. Those seats that are nearby each one of us are reserved for your family members who need to be here in worship but who don't ordinarily come. The morning service will be built around the idea that we want all of our family members to be with us in heaven. But the decisions that we are making now will determine who and how many of our family members will be there. We will be creating some small invitation cards to be used as we make our invitations. We'll serve some punch and cookies in the annex after the AM service and maybe have some kind of little remembrance that they can carry with them. Bottom line is to fill up every seat in our auditorium with the people that we love most in life. Start praying about your invitation and the people you want to be in those seats right now.

Meal Trains

We are trying out an online program called "Meal Train" for signing up to take meals to our shut-ins, sick, etc. Go to the "Sunshine Prayer Chain" on Facebook for the link. See Kristi Cordle for help or details. Signing up for Paige Jacobs.

Villingers Head for Haiti

July 16-23 **Mark and Cheryl** will be in Haiti helping with a Leadership Conference given for all the students who are now part of the Hope for Haiti's Children education programs. The students look forward to this camp/conference every year. Mark will be teaching basketball and art; Cheryl will also be teaching and serving as a support worker.

Anonymous Prayer Requests

Anonymous Prayer Requests can be sent at any time but they'll only be reviewed on Sunday Morning. Please send any prayer request to the phone number: **22333** via text. In the message body, please first include the code: **94706** followed by your prayer request. After a few moments you'll receive a confirmation that your message has been received. If you are having difficulty, please ask one of the deacons or Jacob Miller for assistance. Thanks!

MINISTRY HIGHLIGHT

Hope for Haiti's Children

HFHC's mission is to demonstrate Christian compassion to poverty-bound Haitian children and their families, providing opportunities for these children to become leaders in their homes, churches, and communities. They manage an operating budget of over 2 million dollars annually, utilizing a 3-fold approach to the ministry: Nurture, Educate, and Train. Nurture refers to the building and operation of 2 Christian orphanages that are home to over 80 children. Educate refers to the building and strengthening of 10 locally-operated Christian schools. There are over 1,400 sponsored students in these schools. Many Sunshine members are generous participants in HFHC's Child Education Sponsorship Ministry. HFHC trains future leaders through after-school clubs, vocational training programs, and Christian camps.

HFHC accepts volunteers for annual medical service trips designed to provide care for the children of the ministry. Several Sunshine members have participated in these week-long mission trips to Haiti.

Sunshine contributes \$250 monthly to HFHC.
