Some More Thoughts...

As you might know, the head of one company survived 9/11
because he took his son to kindergarten.

Another fellow is alive because it was his turn to bring donuts.

Another lady was late because her alarm clock didn't
go off on time.

One was late as a result of being stuck on the NJ Turnpike
because of an auto accident.

One more survivor missed his bus.

One spilled food on her clothes and had to take time to change.

One's car wouldn't start.

One went back to answer the telephone.

One had a child that dawdled and didn't get ready as soon as he
should have.

One couldn't get a taxi.

The one that, struck me was the man who put on a new pair of
shoes that morning,

went to work by his usual way but before he got there, he
developed a blister on his foot.

So he stopped at a drugstore to buy a Band-Aid. That is why he
is alive today.

Now when I am stuck in traffic, miss an elevator, turn back to
answer a ringing telephone...

all the little things that annoy me....

I think to myself, this is exactly where God wants me to be at
this very moment.

Next time your morning seems to be going wrong, the children
are slow getting dressed, you can't seem to find the car keys,
you hit every traffic light, don't get mad or frustrated; God is at
work watching over you.

May God continue to bless you with all those annoying little
things and may you remember their possible purpose.

"Food for The Weekend" Program

Update: We are currently sending food home for the weekend for 76 children in the Minford Local School district. The Steven Hunter Power Pack program provides food for 60 of those students. The food for the remaining students is provided through donations. If you are interested in helping with this program, please consider donating non-perishable food items (foods that do not have to be heated or refrigerated). They should be individual servings that the child can open and eat on their own. Such food items include: fruit cups, individual boxes of cereal, pop tarts, breakfast bars, small bags of chips, beanie wienies, vienna sausages, snack crackers, and fruit drink boxes/pouches. [We try to not include any foods containing nuts due to possible food allergies.] If you are interested in helping with this program, just let me know! Thanks so much! In His love, June Book.
