Family Connect

The Church is people brought together as family through a shared faith in Christ Jesus. We are a body of over 300 folks who have been baptized into Christ and affirm a common membership as the Sunshine Church of Christ. The Elders bear the responsibility of overseeing our varied needs and concerns, as well as, promoting the spiritual growth of each one of us.

Family Connect is an intentional effort within our congregation to promote our sense of being family. It is not designed to achieve one goal but rather is expected to strengthen our congregation in various ways. We want for no person's needs or concerns to go unnoticed and unaddressed. We desire for everyone to feel that congregational support is accessible and freely offered. There needs to be open and thorough communication about the ongoing activities and ministries of our congregation. Everyone should have ample opportunity to grow in their walk of faith. We hope to promote involvement and boost each member's sense of their place and importance within the larger church family. Family Connect seeks to support each of these goals and more.

At the core of Family Connect is a group of attendants who are tasked with regularly reaching out to every member of our church family. The attendants are family helpers working in association with the Elders. Each attendant will routinely contact a segment of the congregation by phone or in person. Collectively, every church member will be contacted. The Elders will be in close communication with each of the Family Connect attendants. The process will enable the Elders to be more aware and responsive to needs, concerns, and questions; and also, better positioned to mobilize the resources of the congregation as needed. It is hoped that this effort will draw us closer together as a church family and serve as a stimulus for many ideas and developments as we go forward. Over all, may we magnify and glorify God's vision for mankind through His son, Christ Jesus.
