Sick To My Stomach

Have you ever received some news that made you sick to your stomach? I have had this happen all too often. Just recently I received bad news and I felt this news in the bottom of my stomach.

I don't like to hear bad news! But there is a lot of bad out there!

How are Christians to respond when they hear bad news? Do they rejoice? Or are they sad? Do they mourn as Jesus did in Matthew 23:37 where He said, "O Jerusalem, Jerusalem, the city that kills the prophets and stones God's messengers! How often I have wanted to gather your children together as a hen protects her chicks beneath her wings, but you wouldn't let me."

Jesus was described as a man who had great compassion for those who were down and out. The King James Version uses phrases like "bowels of compassion." Today we would say that someone feels it in their stomach. Jesus loved the people who were in trouble and it tore Him up inside. That's what I mean when I said certain news makes me sick to my stomach.

There are so many who read this column who are heart-broken. They don't know where to go or where to turn. As a Christian I hope I can just be there for them. But there are so many!

Many years ago I had to help a man who had just lost his son to a fatal ultra-light plane crash. A year and half before the man had lost his wife who was murdered by his youngest son. So I was there, to just be with the man. I could not say anything. I could not be like Job's so called friends. I did not say much at all but the man knew I was there.

A number of years ago a friend lost her oldest daughter to an unknown illness. They family was devastated. Just recently that friend said, "You will never know how much your compassion and love for us helped us through such a dark time."

I don't like to hear bad news! I don't like to hear that some of my friends are in trouble because it makes me sick to my stomach!

I know one thing. Jesus is still Lord and He never stops loving us!

-Keith Bellamy, 2014
