Message from the Sunshine Elders

We have been talking about a building project for some time now. A few months turned into years as we awaited an opportune time to move forward. Money was collected and well spent on property we desperately needed for expansion. And now the eldership has agreed to build a new front foyer.

*Attractive first impression
Repair dilapidated front of existing building*

The eldership, working with the deacon over the building along with Randy Mullens (architect) have come up with the plans we presented a few weeks ago. After much prayer, it's time to make a decision.

In Judges 6 Gideon was needing an answer from God to insure that he was understanding God's directives. He laid out a fleece. First, he asked for the grass to be wet while the fleece was dry. Then he asked for the grass to be dry while the fleece was wet. Both requests were answered in the affirmative.

On September 15 we (the elders) are putting out our fleece in the form of a special day of pledging for the building project. We want no money at that time, only the return of pledge cards. Based on the amount of money this congregation pledges for the project, the eldership can determine whether the congregation is behind this project or not. Only if you are behind the project we will collect money and move forward. If not, we don't want to collect for a project that won't happen for years to come.

So what do you do now?

- 1) Take a good look at our building and parking lot, noting how much it needs repaired and what it will look like 10-15 years down the road.
- 2) Pray that "God's will be done."
- 3) If you feel this is a good move toward the future of Sunshine Church of Christ, pledge a generous and sacrificial amount.
- 4) Take the pledge card seriously as you are making a promise to God.

Once the pledge cards are tallied, the leadership will know whether the congregation is on-board or not. If so, we will continue on to the building phase. If not, we will collect no money and try to repair the existing front of our building.

We (the eldership) want you to know that we care for each of you and that rejection of this project will not change that. We will continue to serve this community in whatever structure God provides.

The God Who Will Provide

A Sermon Series Beginning Today

HEY SUNSHINE FYI:

Sweet Monday

Sweet Monday is a ministry for women. We meet on the first Monday of each month during the fall and spring months. We come together to share a devotional lesson from the Bible, pray for people in need, discuss personal issues concerning women, send out cards to help brighten some ones day, we have been known to celebrate special occasions, special people, even share a special recipe. We always enjoy our time together, getting to know each other better, a snack and lots of laughter "it's good for the soul". Come join us!
