BUILDING ADDITION UPDATE...

On September the 15th the Elders here at Sunshine asked the congregation to turn in pledge cards to help gauge the support and/or question in regards to the proposed building renovation/addition. Leadership asked that every family represented here at Sunshine turn in a card, to date we have had approximately 75 cards returned (63% of the congregation). Of those 75 cards returned 53 of them represented a positive response in favor of the project. There was \$193,000.00 pledged to the project, \$125,000.00 in one-time donations the balance being contributed through increases in weekly contribution throughout 2020.

The project had an estimated cost of around \$750,000.00 with parking lot refurbishment. We had hopes of raising around half of the money needed through the aforementioned pledge drive, with the balance being financed through a long-term mortgage. Although we feel the support of the project was overwhelmingly positive (2 to 1 for) we fell a considerable amount short of our goal dollar wise. This coupled with the fact that our weekly contribution has been fluctuating around \$1,000.00 to \$1,500.00 shy of our 2019 budget number, we feel it would be in the best interest of the congregation at this day and time to shift our efforts from the addition to repairing the front of our current structure and doing the necessary repairs to the parking lot.

For those of you who pledged financially to this project please consider yourself free from that commitment. We appreciate the love and support of all of you! We hope that you will continue to pray for our congregation and the work that we do here in this community. Pray that God continues to guide us in the way that He wants us to go, we know that He has big plans for us here at Sunshine!

We love you all!

THE POWER OF WORDS

A careless word may kindle strife;
A cruel word may wreck a life.
A bitter word may hate instill;
A brutal word may smite and kill.

A gracious word may smooth the way;
A joyous word may light the day.
A timely word may lessen stress;
A loving word may heal and bless.

To read this poem, the words are haunting. Whenever a harsh word is said, it's never to be retrieved again, but it leaves behind such hurtful feelings to its receiver. Words effect us all for good or ill, they can build us up or tear us down. Remind me Lord, To Taste them carefully.

START FROM HERE...Lord, what do you want me to do ??? (Acts 9:6)

On June 6, 1944, three American officers huddled in a bombshell crater on Utah Beach in Normandy, France. Realizing the tide had carried them to the wrong place on the beach, the trio made an impromptu decision: "We'll start the battle from right here."

They needed to move forward from a difficult starting point.

Saul found himself in a difficult place, needing to make a decision after meeting Jesus on the road to Damascus (Acts 9:1-20). Suddenly, the location and direction of his life was revealed to him as a mistake, his prior life perhaps even feeling like a waste. Moving forward would be difficult and would require hard and uncomfortable work, perhaps even facing the Christian families whose lives he had torn apart. But he responded, "Lord, what do you want me to do? (v.6)

We often find ourselves in unexpected places, places we never planned nor wanted to be. We may be drowning in debt, inhibited by physical barriers,, or suffering under the weight of sin's consequences. Whether Christ finds us this day in a prison cell or in a palace, whether He finds us broken and absorbed by our own selfish desires, Scripture tells us to heed Paul's advice to forget what lies behind and to press forward toward Christ (Phil.3:13-14). The past is no barrier to moving forward with God.

Are you paralyzed by your past? Have you drifted away from Christ? Or perhaps you've never met Him? Today is the day to begin anew with Christ, even if you feel you've tried and failed. It's not too late for a fresh start.

START FROM HERE...

Have a wonderful day! :)
