What Does the Future Hold

Life can be hard at times. Illness, tragedy, misfortune, loss and such may make life seem unbearable. An accumulation of negative events may lead to a sense of depression. It may look like things only get worse, never better.

Job experienced such depression. He said, "My days are swifter than a runner; they fly away without a glimpse of joy. They skim past like boats of papyrus, like eagles swooping down on their prey. If I say, 'I will forget my complaint, I will change my expression, and smile,' I still dread all my sufferings." (Job 9:25-28). Life is hopeless.

Later, however, Job's fortunes did improve. God blessed Job with renewed health, restored wealth and a beautiful family of children and grandchildren four generations deep. He couldn't have imagined it in the days of his depression, but life was good again. So, it is with Christians. We may have problems, sometimes tremendous problems, but in time everything will be good again. In fact, our ultimate future will be better than we could ever imagine now. Paul said, "I consider that our present sufferings are not worth comparing with the glory that will be revealed in us" (Romans 8:18). No matter what, Christian, God has blessings in store for you. Things will not get worse and end in personal destruction. Things will get better and end in personal victory and eternal bliss. We have God's Word on it.

Dread not the things that are ahead,
The burdens great, the sinking sands,
The thorns that o'er the path are spread,
God holds the future in His hands.
God holds the future in His hands
And every heart He understands.
On Him depend, He is your Friend,
He holds the future in His hands.

God Loves You and We Love You too.

A box of crayons or a bottle of glue doesn't seem like a big help, but to a child it makes a big difference.

## KEEP PLODDING ON

When things seem difficult, and life uphill,  
Don't look too far ahead , keep plodding on.  
And inch by inch, the road will shorten, till  
The roughest patches will be past and gone.  
And you'll look back surprised and cheered to find  
That you have left so many miles behind.  
And very soon the tedious climb will stop.  
And you will stand triumphant at the top.

Have a wonderful day!
