A Time When You Will Care

Believe it or not, there will be a time when you will care. There will be a time when you will realize you need God and His comfort. When religion will not be just for old people or everybody else.

This may occur at the funeral of a loved one. It may be a mother, father, wife, friend, or even a child. As you look at this body that used to be so full of life and is now still, you will care. You will probably ask God to receive this person and help them to no longer feel pain. You may care because you loved them and cannot stand the thought of them no longer existing or even worse, suffering for eternity.

The time to care may come on a different occasion, as the doctor tells you that there is nothing more that he can do for you. Your life is going to end and there is nothing that modern science can do about it. "And as it is appointed for men to die once" (Hebrews 9:27a).

Most of the time death seems unreal. When we are young we tend to feel immortal. As life goes by we see our parents grow older, friends die, and finally we realize that our lives will end one day.

Most people try not to think about it. When we face the grave, we will care.

The time of caring may not occur until it is too late.

Some will face death still not caring, but on the other side you will care. You will care because of what you will face. "And as it is appointed for men to die once, and after this comes judgment" (Hebrews 9:27).

At that time you will face God and give an account for all the deeds you have done whether good or bad, II Corinthians 5:10.

The standard is God's word not whether you do or do not care. "He who rejects Me, and does not receive My sayings, has one who judges him; the word I spoke is what will judge him at the last day" (John 12:48). cont.

Those whose names are found in the Lamb's Book of life will receive the reward of heaven. Everybody else will suffer for eternity. Folks, we will all care! In describing hell, Jesus said, "but the sons of the kingdom shall be cast out into the outer darkness; In that place there shall be weeping and gnashing of teeth" (Matthew 8:12). As the rich man was faced with torment in Luke 16, he just wanted a taste of water, he cared, but it was too late.

Do not delay until it is too late. Today is the day to care and do something about your condition before God. "For He says, 'In an acceptable time I have heard you, And in the day of salvation I have helped you.'

Behold, Now is the Accepted Time. Behold, Now is the Day of Salvation." (II Corinthians 6:2).

God Loves You and We Love You too.

Have a wonderful day!
