BE CAREFUL!!

What You Perceive May Not Be God's Reality

How we view the world is directly related to the beliefs we have. Some of our beliefs are based on the country we were born, the region we grew up in, our ethnicity and even the traditions our parents taught us.

As a result, we see things differently. We can have the best intentions, but our beliefs can cloud our judgement and impede our decision-making process.

Proverbs 16:1-6 The plans of the heart belong to man, but the answer of the tongue is from the Lord. All the ways of a man are pure in his own eyes, but the Lord weighs the spirit. Commit your work to the Lord, and your plans will be established. The Lord has made everything for its purpose, even the wicked for the day of trouble. Everyone who is arrogant in heart is an abomination to the Lord; be assured, he will not go unpunished. By steadfast love and faithfulness iniquity is atoned for, and by the fear of the Lord one turns away from evil.

This helps explain why you may have had a disagreement with someone and everyone believes the other person is the one that needs to apologize.

As Scripture depicts, each of us sees our actions as pure. That is why it is crucial for us to be humble and unassuming in our interactions. If we are humble and respectful of the desires of others more than our own, we allow ourselves the ability to recognize the possibility that our beliefs are not founded in reality.

While it may seem like "overkill" for God to call the arrogant person an "abomination", it is important to understand the full implications of their arrogance.

before destruction, and a haughty spirit before a fall. It is better to be of a lowly spirit with the poor than to divide the spoil with the proud.

Proverbs 16:16-19 (ESV): How much better to get wisdom than gold! To get understanding is to be chosen rather than silver. The highway of the upright turns aside from evil; whoever guards his way preserves his life. Pride goes before destruction, and a haughty spirit before a fall. It is better to be of a lowly spirit with the poor than to divide the spoil with the proud.

A prideful person who believes their perception of reality is always correct is going to have a misunderstanding of most situations. They will likely find themselves assuming the worst of others, while frequently giving themselves the benefit of the doubt. With an improper understanding, they will entertain evil and make statements that offend others. It will also be near impossible for them to be convinced they are wrong about anything. As a result, a prideful person cannot be helped and their pride will lead to their downfall.

They believe their actions are pure, but they are contradicting the word of God. Each of us must be vigilant and on-guard against the misunderstandings of the heart by always being humble and meek in our interactions.

Otherwise, we will find ourselves on the wrong side of the gates of heaven, confused as to where everything went wrong.

God Loves You and We Love You Too

Have a wonderful day!
