And thou shalt build an altar of shittim wood, five cubits long, and five cubits broad; the altar shall be foursquare: and the height thereof shall be three cubits. And thou shalt make the horns of it upon the four corners thereof: his horns shall be of the same: and thou shalt overlay it with brass. And thou shalt make his pans to receive his ashes, and his shovels, and his basons, and his fleshhooks, and his firepans: all the vessels thereof thou shalt make of brass. Exodus 27:1-3 KJV

Of all the things God directed Moses to make for the Tabernacle, the largest was the brazen altar that stood just inside the entrance of the tent that surrounded the place that symbolized God's presence with His people. The only way in was by coming with a sacrifice. The priests offered sacrifices on the brazen altar day and night. "And the fire upon the altar shall be burning in it; it shall not be put out: and the priest shall burn wood on it every morning, and lay the burnt offering in order upon it; and he shall burn thereon the fat of the peace offerings. **The fire shall ever be burning upon the altar; it shall never go out**" (Leviticus 6:12-13). This is a beautiful picture of the sacrifice made by Jesus that opens the way for us to come to God. Yet it is also a beautiful picture of the way in which Jesus' life, death, and resurrection completely cover the cost of salvation for all time.

The offerings on the brazen altar were repeated over and over again, but the offering of Jesus on the cross was only done once.

“But this man, after he had offered one sacrifice for sins forever, sat down on the right hand of God” (Hebrews 10:12).

We will never need to add anything to what Jesus did to save us; in fact trying to add anything to it undermines the truth of salvation by grace alone. God has already provided the sacrifice for our sins. We must simply accept it in faith and follow His commandments.

Trying to come to God apart from Jesus is futile,
for He is the only way.

God Loves You and We Love You Too

Have a wonderful day!
