“Humble yourselves therefore under the mighty hand of God, that he may exalt you in due time: Casting all your care upon him; for he cares for you. Be sober, be vigilant; because your adversary the devil, as a roaring lion, walking about, seeking whom he may devour: Resist him standing firm in the faith, knowing that the same afflictions are accomplished in your brethren that are in the world.”

1 Peter 5:6-9

Following the terrorist attack on the United States on September 11, 2001, a special group was put together to investigate what had happened and why, and how future attacks might be prevented. The committee was made up of political leaders from both parties and members of the intelligence community. They were given full access to records and personnel, and conducted a thorough investigation.

Almost three years later the National Commission on Terrorist Attacks Upon the United States, better known as the 9/11 Commission, finished their work and released a final report. One of the main findings regarding the cause of the success of the attacks was this: “The most important failure was one of imagination.” There was simply a failure to grasp the nature of the threat and what might happen, and so the nation was not prepared.

The Bible repeatedly warns us that we are in a battle, and yet over and over we are taken by surprise when Satan launches attacks against us.

The Clock

The clock of life is wound but once,
And no man has the power
To tell just when the hands will stop
At late or early hour,
To lose one's wealth is sad indeed,
To lose one's health is more.
To lose one's soul is such a loss
That no man can restore.

This New Year is a gift from God. He's giving us
another chance to love Him and do His will.
It's a Great Year to follow Christ!

HAPPY NEW YEAR!

Peter knew this danger from his own experience. Jesus warned him of the looming danger. "And the Lord said, Simon, Simon, behold, Satan hath desired to have you, that he may sift you as wheat" (Luke 22:31). Yet rather than staying on guard and praying, Peter slept in the Garden of Gethsemane, then when he was confronted about being a follower of Jesus he denied even knowing the Lord. We are not given advance notice when Satan is about to attack. He is adept at watching for weakness and carelessness, and he uses those moments to strike. We must be on guard every day to stand against him.

We must never forget the danger posed by the attacks of Satan and instead remain vigilant and on guard.

Paul Chappell
