The Need to Manage Life's Choices

Do you want your coffee with cream and sugar or do you want it black? Should you wear the red tie or the blue one? Do I want pizza for lunch or a salad? Choices... Every day we are faced with choices. Some are not so difficult and have very few consequences, while others can have a huge impact on you for the rest of your life.

Where should I go to school? Which job should I take? What do I want to do with the rest of my life? Is this the person God wants me to marry? Which church should I attend? Making the "big decisions" can be overwhelming and difficult, but have patience and allow God to guide the way. Humans are known for wanting things NOW!

We must learn one simple rule: Our time is different than God's time. When confronting the choices we have in life, God should always be brought into the equation. We should always turn to God in prayer, ask Him for help and guidance, and most importantly ask Him for the patience to carry you through whatever you're going through.

I am reminded of Jesus on the night he was betrayed in the garden. Jesus knew that his death was just a few short hours away. He knew that pain and torture were waiting for Him. Jesus had a decision to make. He could have called upon the angels in heaven to come down and save Him from the impending torture of crucifixion or He could go along with the plan that was put in place from the very beginning.

The choice was His, but notice that He didn't make this decision alone.
"Jesus went with His disciples to a place called Gethsemane, and He said to them,

"Sit here while I go over there and Pray" (Matthew 26:36)

His prayer was simple : **"My Father, if it is possible, may this cup be taken from me. Yet not as I will, but let your will be done."** (Matthew 26:39)

Jesus understood that God's will and God's way was more important than His own.

We should have the same trust in God that Jesus had in the garden.

Do we trust that God's way is what's best in our life?

Next time you are faced with one of life's big decisions, put the decision in God's hands. Ask God which way He wants you to go. God has a way of shutting some doors and opening other ones to help show the way He intends for you to go. Sometimes it may take awhile for His way to become clear. But, with patience and trust in the Lord, we can begin to make decisions that will not only benefit our lives, but will also further the work of God's kingdom.
