Cadillac Roofing Trip is a GO

Last Wednesday we received a call from Gary Leftwich, minister at the Cadillac church of Christ in Cadillac, Michigan (about 3 hours north of Detroit). Gary is a close personal friend of mine and I know this congregation very well. This is a congregation of about 30-35 which has been struggling to save the funds necessary to put a new roof on their building. The last roof was put on 27 years ago and has begun to leak and cause rotting in the boards. Winter is approaching and the damage will get serious if the new roof isn't put on. The new roof to go on is metal. Sunshine will be sending a team of workers up to Cadillac over Labor Day Weekend to help get the old roof off and the new roof on. We leave Thursday, August 31, about 6 pm. We ought to get into Cadillac about 4 am in the morning. We will be staying for Sunday am services and then we hit the road home. We should be home about 10 pm Sunday evening. We have about eight guys and three women committed to go at this time. We could use a few more people. See Steve if you want to go.

Here are some ways that you can help us:

- Some of the people going may need some financial help for gas and food (we'll be sleeping in the church building). Maybe you would like to buy a tank of gas or pay for some groceries. Give your money to Steve Miller. Checks made out to the church.
- We need those roofing shovels, the ones designed to rip off old asphalt shingles. If you have one to loan to us, we would appreciate it.

There have been several phone calls made over the last few days. The church can have the materials available by September 1. If the weather permits, and the Lord wills it, we will be going. We'll have a meeting next Sunday morning after church to discuss the details.

Spirit Club Review

The first year of Spirit Club is about to come to an end. August is the review month. This month we want every child to go back and review the previous 11 month's memory work. This is just another way of putting deep inside the heart. If you missed a month or two or three along the way, think of August as "catch up" month. This is your chance to go back and get the verses you did not memorize through the previous 11 months. Anyway, we hope that each and every student in the Spirit Club will qualify for the Big Bash on Saturday, September 30.
