Cadillac Roofing Meeting Today

This morning after services all those who are going to Cadillac, Michigan need to meet with Steve Miller in the Teen Room to finalize plans for our trip. Also, if there are some who want to help with the trip, we are wanting to borrow roofing shovels (designed for removing asphalt shingles) and also for contributions to help defray the expense of gas and food on the trip. See Steve Miller.

24 Hours of Prayer

In the Garden of Gethsemane Jesus asked his disciples to watch and wait with him in prayer. Three times he returned to them to find them sleeping. He said, "*Could you not tarry with me one hour in prayer?*" An hour in prayer. Definitely not too much for the Master to ask of his disciples. Would you give one hour to prayer? On **Friday, October 20, 6 pm**, we will begin to pray as a congregation one hour at a time so that as each hour passes for the next **24 hours**, we know that at least one of us is carrying the prayer forward until we have prayed through to Saturday, October 21, 6 pm. We've done this in the past but not recently. Several of you have asked to do it again.

We are proposing some changes in how we handle things this time around.

1. In the past I have collected requests and given you a prayer list to use in the hour of prayer. This time around I want you to develop your own prayer list. I want you to start now jotting down the things that you want to include in that prayer.
2. In the past we have used the building as the location of the prayer vigil, but this time around I want to include locations outside the building. You may want to pray alone from your home. Or it may be that two or three or four of you may want to meet at a home for this time of prayer. There will be a way to sign up for an hour of prayer away from the building.
3. In the past we have not pushed the idea of fasting with this prayer. But I am asking as many as will to make this 24 hour period not only a time of prayer but also a time of fasting.

If there was ever a time our nation, our church, our community, our schools, our young people, our leaders were in need of God's guidance and strength, it is now. I hope you will participate in what will surely be a powerful time before the Lord.

Steve.
